Subject: Rescinded ordinance 1024692 9 (Jackson Co., Webster)

Jackie,

For some reason, there were two municipal 25 mph ordinances in TEAAS for the same section of roadway. The only difference was one was written from west to east and the other was written from east to west. I deleted the one that was written from east to west since it did not follow our guidelines.

If you have any questions, please let me know.
